

## 2026 Woman of Distinction Award Candidate Nomination Form

The award honors a woman who is: active in the Home Builders Association and the building industry; a positive role model for other women in the industry; a leader in their company and at their local HBA; a woman with innovative ideas who is willing to share and mentor with others to make a difference in their industry and/or local HBA; a proven leader outside the HBA that draws positive attention to the HBA; respected inside and outside the HBA; and the personification of positive values.

While this award is open to all new and long-term HBA members, it aims to encourage members with unrealized leadership potential to take on a more substantive role at the state level. She is the person who dives in to make things happen, often without realizing that someone has noticed her efforts. She not only has great ideas but also brings them to fruition. She helps others to make their projects successful and is recognized by her peers.

Award recipients are selected by previous Woman of Distinction Winners from applications received, though there is the option to choose a winner based on outstanding observed service. The winner is presented during the Summer Conference/SEBC. Application forms are available at [www.fhba.com](http://www.fhba.com).

**Deadline for Entry: Tuesday, March 31, 2026**
